Hi Eric,
This year has been great. I know that next year will be one of the greatest for you. You're going to make the best calender person. I'm glad we had a chance to meet. You're a real sweet and honest guy. Please don't fall any further away from the church. Call me any time. I want you to come to all the activities. O.K. Hope we become better friends. Have a super summer.
"8" = Your Pal, Linda

Eric, You're a real sweet guy and you better stay that way. I hope you enjoyed your second year here at E.H.S., because I did. But I still think last year was a better year. We didn't get a chance to talk much this year. But I hope next year we can. I hope you have a great summer and I hope to see you during it. See ya next year, if not sooner. Bye!
Love & Friends,
Ian Davidson

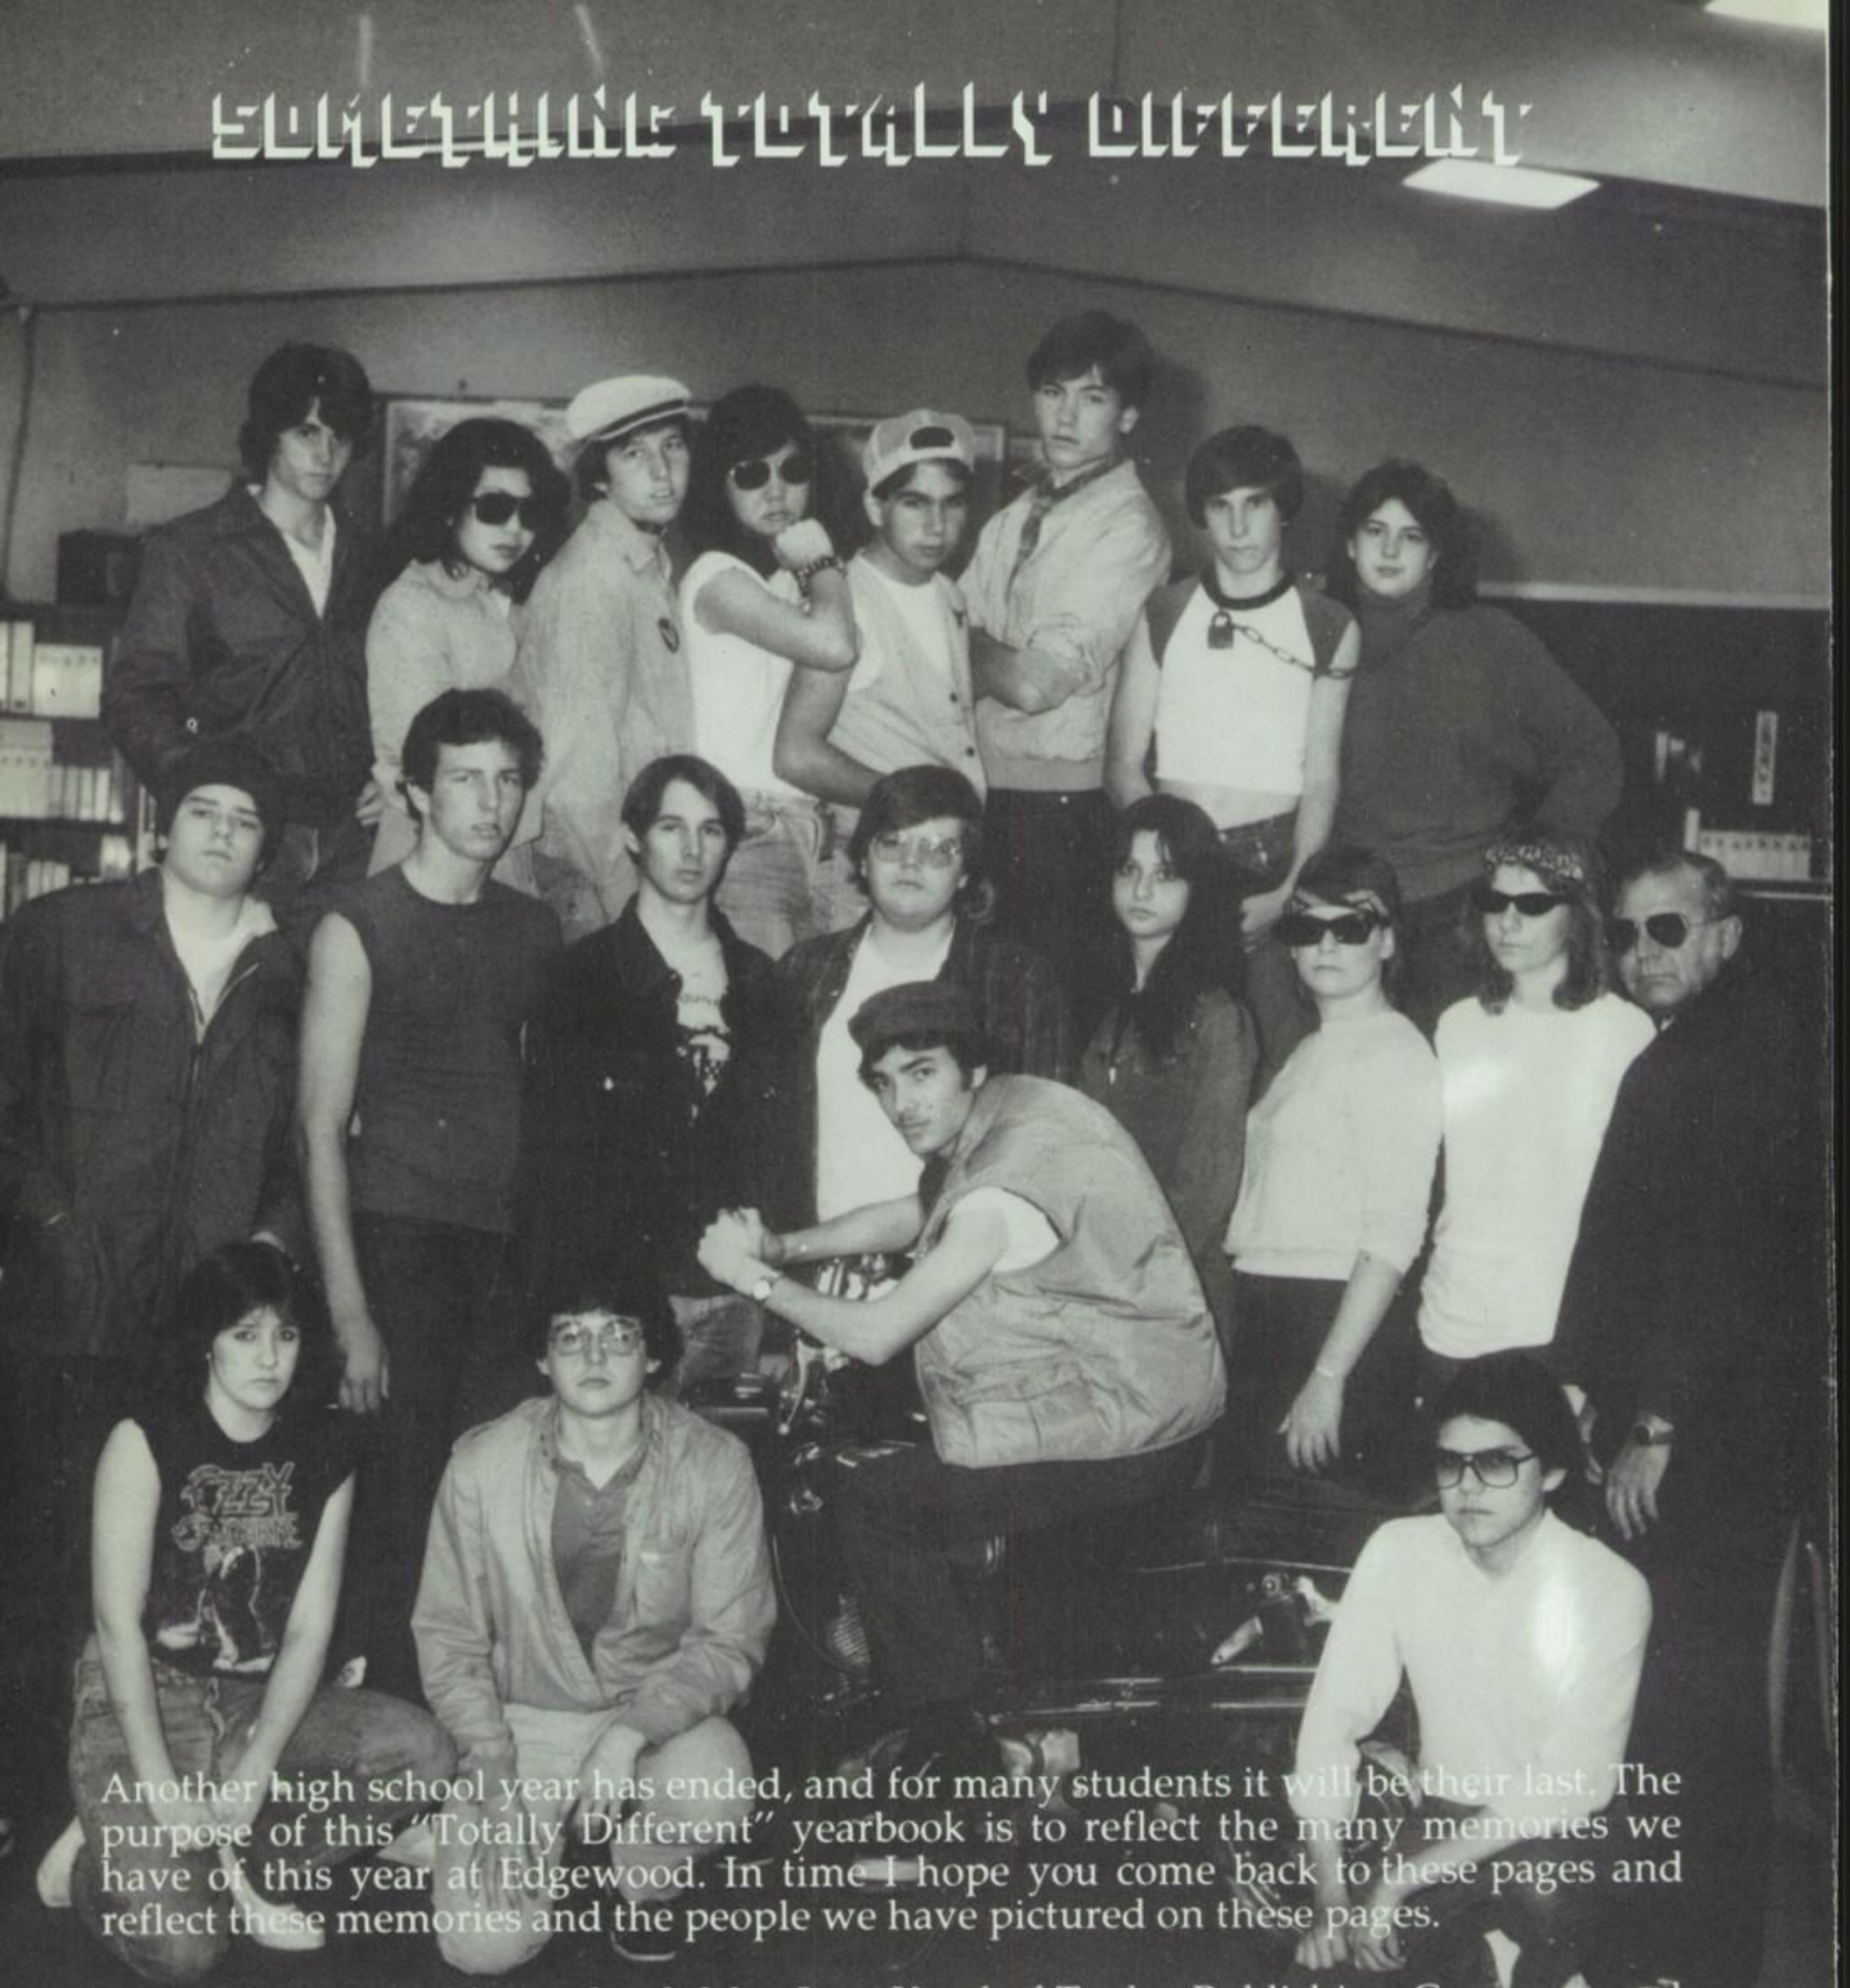
SOMETHING TOTALLY DIFFERENT

Something totally different



Another high school year has ended, and for many students it will be their last. The purpose of this "Totally Different" yearbook is to reflect the many memories we have of this year at Edgewood. In time I hope you come back to these pages and reflect these memories and the people we have pictured on these pages.

I would sincerely like to thank Mrs. Jane Kasel of Taylor Publishing Company and Moore Studios. Also, Mrs. McGruder, Mrs. Butler, and Mrs. Maggiore for their patience and dependable typing skills. My special thanks goes to the staff with all their creative ideas and especially to Mr. Dunahoo who let me do "Something Totally Different."
